THE FIGHT TO SAVE DEANGATE RIDGE

**CABINET
VOTES TO
CLOSE
DEANGATE**

Since the Cabinet meeting of 6th February 2018 Deangate Ridge golf course has been under threat of closure. The very short 5 day notice of this meeting and the inadequate non compliant nature of the report Cabinet considered sparked wide spread public unrest and an unprecedented call for "freedom of Information" requests at Medway Council.

At subsequent Parish Council meetings of Hoo and High Halstow a resolve to challenge the Cabinet decision was agreed (High Halstow PC resolved that "Halstow Parish Council is wholly against the closure of Deangate Ridge Golf Course.").

A protest group was also separately formed called "Deangate Community Partnership" (DCP)

A petition signed by 3847 people was submitted to Medway Council triggering the decision to be referred to the Regeneration Culture and Environment Overview and Scrutiny committee specially convened on 12th March 2018.

At that meeting parish councilors and members of the public were allowed to present the case to postpone the decision to close Deangate Ridge. The Committee resolved, after much deliberation, to refer the decision back to the Cabinet to consider the decision again in the light of evidence put forward.

The Primary reasons Cabinet gave to close Deangate were losses averaging £200,000 per year over the last seven years and no prospect of turn around despite significant efforts by officers.

Deangate Community Partnership whilst agreeing that losses of £200,000 were of course unsustainable, showed that the report produced to substantiate this claim were legally non compliant, inadequate in-accurate and un-evidenced to such an extent that they could have been produced to substantiate a predetermined outcome. They further claimed that to close this facility required extensive public consultation.

Following the Overview and Scrutiny committee decision the DCP entered into talks with representatives of a national sports providing Charity well know for running Golf courses and sport facilities for communities on behalf of local authorities.

They together produced a plan of action to take over the running of Deangate for the benefit of the community and no cost to the council and to provide the council with a substantial monthly contribution to its purse.

This was submitted to Medway Council under the Localism Act 2011 as an "Expression of Interest". Further to this the group also submitted a request to have Deangate registered as an "Asset of Community Value" under the same Localism Act.

On 28th March the Cabinet again considered to close Deangate, the previous decision to close was upheld and move forward from 31st March to the 14th April. Cabinet were however interested in the "Expression of Interest" submitted by the DCP and instructed officers to investigate proposals put forward.

If you would like to help please
make a pledge by emailing
pledge@deangatecommunitypartnership.co.uk
or call George or txt George on
07711432598.

This decision is unacceptable to DCP as closure of Deangate at the beginning of its most profitable period does not make its future viable as closure predicates future success of the business during any investigation by officers into viability and due diligence.

Time now allows no other choice other than to take legal action to postpone closure. To this end DCP have been collecting pledges of financial help ahead of crowd funding.

EDITORIAL

Medway Council have released their draft Local Plan and all 4 scenarios suggested include land development in High Halstow. It is VERY IMPORTANT that you read the information on our proposed NEIGHBOURHOOD PLAN page which (if adopted) will help in shaping our village the way villagers want by way of consultation and a village referendum.

CONTRIBUTION TOWARDS THE COST OF TREES

In our last edition we advised the trees had been planted on the Recreation Ground to commemorate the 11 High Halstow villagers who were killed in WW1. One villager came forward to contribute towards the cost of two trees for personal reasons. When discussing this at the Parish Council meeting, we all agreed it was a lovely gesture and wondered if any others had family or personal reasons and felt they would like to make a contribution, the option is there.

If you would like to know more about those who died there is a booklet in the Church or details can be obtained through the Parish Council.

COMMENT from Sydney Brunt, Resident

Syd wanted to thank the Parish council on behalf of the village for all that the PC are doing during this difficult period. In these tough times of over development this is very much appreciated.

Elizabeth Meredith

Our grateful thanks go to the 250 plus people who attended Elizabeth's Memorial Service in St Margaret's Church on 6th February and to others who expressed their sympathy, sense of loss and condolence by cards and messages.

Elizabeth was clearly loved and respected by many in the village as a Wife, Mother, Grandmother, Church Member, Chorister, Founder of The Kings Kitchen and Teacher in both our Village School at Hoo.

Our thanks also go to Rev. Stephen Gwilt for his advice and support.

Donations to her two nominated charities, Tree Aid and Water Aid have now exceeded Two Thousand Two Hundred Pounds. We remain devastated by our loss but proud of the esteem in which she was held by so many.

Mike, Tamsin, James, Craig, Paula, Callum, Ennor and Finley.

I would like to thank my lovely neighbour Sally and everyone from the neighbourhood she convinced to help at the time. I am so grateful to everyone who gave their time to help my son and Dally and her family, dig out our drive on February 27 when the 'Beast from the East' hit us. Thank you too to the farmer who came with his snow plough after my good friend Julie flagged him down on Christmas Lane requesting help to clear our road so we could get out of the village.

Due to the efforts of good neighbours and friends and very flexible funeral directors (John Weir), my husband's funeral was able to go ahead despite it being an hour late. On an already stressful and sad day it was wonderful to experience the caring community makes High Halstow a special place to live. Thank you so much!

I would also like to take this opportunity to raise awareness for much needed funding for research to find a cure for Brain cancer. Please support my family in our quest to do just that by reading our story at:

A very special thanks to Ron Mainhood who held a tombola at Willow Grange flats Hoo and raised £500!

KENT POLICE RELEASE WARNING

False claims of Telephone Preference Service:

Fraudsters are cold-calling victims, falsely stating that they are calling from one of the well-known UK telecommunication service providers. They call victims claiming to provide a 'Telephone Preference Service' - an enhanced call-barring service, which includes barring international call centres.

The fraudsters ask victims to confirm/provide their bank account details, informing them that there is a one-off charge for the service. Victims instead see monthly debits deducted from their accounts, which they have not authorised. The fraudsters often target elderly victims.

In all instances, direct debits are set up without following proper procedure. The victim is not sent written confirmation of the direct debit instruction, which is supposed to be sent within three days.

On occasions when victims attempted to call back, the telephone number provided by the fraudster was either unable to be reached or the victim's direct debit cancellation request was refused.

During 2017, there were 493 Action Fraud Reports relating to this fraud.

Protect yourself:

There is only one Telephone Preference Service (TPS). The TPS is the only official UK 'do-not-call' register for opting out of live telesales calls. It is FREE to sign-up to the register. TPS never charge for registration. You can register for this service at <http://www.tpsonline.org.uk>.

You will receive postal confirmation of genuine direct debits. If you notice unauthorised payments leaving your account, you should contact your bank promptly.

Always be wary of providing personal information, or confirming that personal information the caller already claims to hold is correct. Always be certain that you know who you talking to. **If in doubt hang up immediately.**

If you have been affected by this, or any other type of fraud, report it to Action Fraud by visiting www.actionfraud.police.uk or by calling 0300 123 2040.

HIGH HALSTOW WOMEN'S INSITUTE

It is a while since we put an entry in 'The Times' so here is a update on the progress of our new village sign. We now know the sign is in the process of being made (we believe the makers have had a backlog due to illness). We understand there are various stages in the production so this take considerable time and as the saying goes "Everything comes to those who wait". We have mentioned before that the sign is being produced by a small family business comprising of father who makes the shape and mother and daughter who do the art work, then a combined effort to complete the work

We have started the New Year with three new members. We have had three interesting speakers, a craft afternoon, our Annual Dinner and a lunch each month. Come along and join us on the first Wednesday of each month in the Memorial Hall at 7.30pm. We are always pleased to welcome visitors and new members

Christian Aid Week 13-19 May 2018

Christian Aid was founded in the aftermath of World War II in response to the huge numbers of refugees and displaced people. Today more than 40 million people are displaced within their own countries. Seeking safety, but unable or unwilling to cross a border, they do not receive the support and protection given to refugees. The reasons for their displacement are many e.g. conflict, flooding, drought, fear. Many have no food or shelter and no prospect of education, training or work.

Volunteers will be collecting in Christian Aid Week in support of Internally Displaced People Please support them.

Thank You.

Resume of Parish Council meeting 14 March 2018

The March 2018 meeting was attended by 8 of the 9 parish councillors, Martin Andrews having a family commitment. There were 3 members of the public in attendance.

There was a planning application for the conversion of a barn at Buckhole Farm to a dwelling, to which there was no objection. All parish councillors of the 11 Medway parish councils had been invited to a briefing on the Medway Local Plan on 20th March. The Local Plan sets out Medway Council's planning strategy up to 2035 and must take account of Government guidelines, including the number of dwellings required. The Government has used a different methodology from Medway and the number is likely to increase from 29,500 to 37,000 (some of these have already been built). The draft plan is open to public consultation, which finishes on 16th May. You can view this and comment on Medway Council's website. We are holding a special meeting on 18th April. Look on the Parish Council's website for further details. The Parish Council is proceeding with its decision to create a Neighbourhood Plan for High Halstow and at the time of going to print the Steering Group had already met twice and discussed the way forward. An update on the Neighbourhood Plan and Deangate Ridge is elsewhere in this issue.

It was decided that the High Halstow Times advertising rates would increase from £10/eighth page to £11 and pro rata. Allotment rents for a full plot will increase to £25 from 1st April, but will be invoiced in arrears (Allotments Act 1908) in March 2019. The budget for 2018/19 was then approved.

The commemorative seat in the churchyard, originally installed by the Parish Council is in a sorry state and it was agreed to replace this. Research is being done on types and prices. It was also agreed to install a litter bin by the bus shelter outside the Recreation Hall. The remaining new bus shelters, for Christmas Lane by the roundabout and on the A228, Sharnal Street are due to be installed immediately after Easter.

Ray Collins reported that a resident connected with the Royal Engineers had generously donated the price of 2 of the new commemorative trees planted at the far end of the Recreation Ground and we would like to thank him for this.

Mick O'Hanlon reported on research he has done on the viability and cost of CCTV being installed at the entrances to the village. One of the contacts he has made will be asked to speak at the Annual Parish Meeting.

There will be alterations to the dates for the June and August meetings, due to commitments that the new Clerk already had before her appointment. You will be notified of the new dates in due course. The next meeting will be the Annual Parish Meeting and will be held in the Memorial Hall at 8pm on 11th April. This is your meeting and we would like to see as many of you as possible there. All village organisations are invited to come along and give a report on their activities over the past year.

Deangate Ridge

The situation at Deangate Ridge remains fluid. On the 12th March 2018 the decision to close Deangate was paused after a successful "Calling in" to the Overview and Scrutiny Committee. At the time of writing (Monday 25th March) the newly formed Deangate Community Partnership had just submitted to Medway Council an Expression of Interest under the Localism Act of 2011 in partnership with a National Charity providing sport facilities for communities, offering to run Deangate at no expense to Medway Council and further offering to contribute a substantial monthly contribution from the Council purse. The submission will be presented to Medway ahead of the Cabinet meeting scheduled to take place on the 28th March at Gun Wharf. Further legal action is pending.

Plan must be sustainable and approved by the Secretary of state before it becomes Statutory.

Medway have put forward 4 scenarios for development within Medway and all 4

include the development of up to 12,000 homes on the peninsula. One of the scenarios takes account that government may require Medway to use the new 'Standard Method' for calculation numbers of houses introduced for Local Authorities who have not submitted a Plan by April this year. The 'Standard Method' would increase the housing allocation to some 37,000.

There will be an opportunity shortly for you to take part in this the second consultation on the Development Strategy and there will be further consultations before the Plan is finished. High Halstow Gardening Club

Despite the weather it's been a busy month for our hardy gardeners.

The garden club held its annual spring show on Tuesday 13th March at the memorial hall. Most of our exhibitors struggled to find suitable specimens to enter the flower section of the show however given the adverse weather we managed to find 18 exhibitors showing 37 entries.

Rosemary Collins won section one and was presented with the Frank Hillman Spring show cup. Wendy White won section two and retained the cup from 2017.

Rosemary Collins won the spring show plate for the most points overall.

Rosemary will judge our show in 2019.

The three quizzes held during the judging of the entries were won by Jill Martin, Fran Carr Sue Osenton and Wendy Howland and finally Pam Walsh and Trish Blackwell. The evening was rounded off with tea and biscuits.

On Saturday 17th March 19 of our toughest members braved the weather to visit the craft fair and daffodil displays at Thriplow, Cambridgeshire despite the cold we all enjoyed the experience.

Our next meeting will be held at the Memorial Hall at 20.00hrs on Tuesday 10th April where Jackie Aviolet will be there to talk to us about herb cultivation and Folklore.

POPPIES ON LAMP POSTS

Last year, a few villages in the UK placed large British Legion poppies on lamp posts in their village and villagers took photos and uploaded on to social media and You Tube for the world to see. It was a major success for them.

I was approached by a few villagers to see whether we could do the same in High Halstow. I requested permission at one of our Parish Council meetings and there were no objections.I just needed the relevant permissions.

Enquiries to the British Legion proved fruitful too. They have no objection. I explained that we will be making our own poppies and raising money on these, probably by way of sponsorship, for the British Legion.By making our own we hope to make more cash for the British Legion than we would have done purchasing their large poppies.It also gets villagers involved at the same time. These poppies will need to be made of some type of plastic sheeting and cut probably into circles? (We are still pondering ideas). We will need to assemble them attaching a black circle in the middle so that the finished article resembles a poppy with petals. Any ideas are extremely welcome.

We have formed a group of helpers and if you feel you would like to get involved please contact me on 07825 619 353
