# DRAMARAMA

Welcome to our 1999 pantomime 'Around the World with Dick Whittington.

This is our third production and we all very much hope that you will enjoy it. We have increased the number of performances to four plus a dress rehearsal.

Having taken 'breath' after our summer show 'Lets all go to the Music Hall', rehearsals began in earnest at the beginning of September with 'run throughs and dance routines at Di Welch's house (thanks for putting up with us invading your home every week Di !!).

November saw us move back to the hall for rehearsals on stage and then Christmas was upon us. With the New Year came a sudden realisation of how close the performances were. So it was back to Di's on Tuesday evenings with stage work on Thursday evenings and not forgetting some of us helping Mick and Terry with scenery on Saturdays!!!!

Were we ever going to be ready? Our Director Pauline despaired at times but as we have said 'it will be alright on the night' (we hope!!). So sit back and relax and let us entertain you.
