DRAMARAMA

Welcome to Dramarama's 6th production.

After a short break following the success of 'Cinderella' in february , rehearsals began in earnest for this variety production of 'That's Entertainment'. We are glad to welcome Joyce Davis who has been promoted from making the tea to centre stage!

We are also very pleased to have Margaret Eaton back with us after her illness., she's on form and keeping us all in order!

This time we persuaded our resident pianist on to the stage to participate, can you spot him?

Once again,our thanks to George & Jane Crozer for the use of their 'garage' and for the refreshments during our rehearsals.

Many thanks to everyone who has helped with refreshments during this show.

Don't forget our next panto will be in February 2001!
