# DRAMARAMA

Welcome to Dramarama's 12th production and thank you for your continued support of our group.

This performance we welcome a new member—Gary Thomas as our backstage manager, good luck Gary!

Many people say to me that Dramarama's production's are excellent, I would like to say, yes, the shows are good because of effort maintained by the cast. I can write a script, but without individuals giving the commitment and time to it, the end product would be a mere shadow of what you see at present. I think I can say that the enjoyment you as an audience get seeing the shows is what we as a group get each week rehearsing them. I would also say that the cast shine if the audience is enjoying the show, so please join in clap, boo, hiss (in the right places of course!) and enjoy an evenings entertainment.

I hope you will make a date with us for our Variety Show in July entitled 'Razzle Dazzle'.

**Pauline Martin**

A very special thanks to Jenny Thomas for giving up hours & hours of her time to make all the wonderful sea creatures.

Special thanks to George & Jane Crozer for their hospitality each week & many thanks to everybody who made the refreshments for the performances and at rehearsals. Thanks also to Noleen for the wonderful lunches when we were preparing scenery.
