DRAMARAMA

Welcome to Dramarama's 14th production and thank you for your continued support of our group.

In this performance we welcome new members—Debbie Pike and Lesley Munday backstage.

I hope you will enjoy this adaptation of The Wizard Of Oz. With so many members in Dramarama I need to create quite a few characters in order to include everyone, however I'm not complaining because it really is wonderful to see so many people (from 6 to 70+!) who would like to take part in our shows.

Please make a date with us for our Variety Show in July entitled 'A Little of What You Fancy ...'

Pauline Martin

Special thanks to George & Jane Crozer for their hospitality each week & many thanks to everybody who made the refreshments for the performances and at rehearsals.
