## Introduction

Welcome to our tenth anniversary show. Back in 1998, I don't think that any of us thought we would still be here ten years later! Those 'originals' who still perform at every show may be ten years older, but their enthusiasm and enjoyment continues unabated.

We have actually staged 23 shows since we began in February 1998, a list of those productions is included in this programme. Some of the items in this current show have been requested to be seen again by both audience and cast as their favourites. Next to repeated items is the year they were first performed.

Over the years, people have left and people have joined, but our numbers have never dropped below approximately 35. Dramarama is at present looking to recruit new members between the ages of 16 and 30. If you feel that you've got what it takes to be a member of the group, contact Anita Russell on 07734 970516 or e.mail anita.45@btinternet.com.

I'd like to welcome two new members to the group, Wenda Taylor has stepped in to pull the curtains, following the indisposition of Debbie Pike (get well soon Debbie!). And Mike Bostock who has joined our back crew stage and is operating our lighting this time.

Thank you for your continuing support and I hope you enjoy the show.

Pauline Martin (Producer/Director)
