## Play the Music and Light the Lights

June 2012

Welcome to our loyal audience, and first timers'. Summer is upon us again and with it comes the Dramarama show. Rehearsal time has flown by and everyone has worked extremely hard to get the show together. We welcome a new member to the group, David King. We wish him well in his first show, I'm sure he will be a great asset to the group. We also wish Noleen a full speedy recovery after her surgery and hope that both her and Mark will return to us at some point. I would also like to say a thank you to Amelia Skudder who has taken time out from her University course to choreograph the youngster's dance and to also take part in the main show. Thanks again to Matthew Crozer who has saved my bacon by providing a guitar track for Richard's song, when a pre-recorded backing track was impossible to come by. There are so many other people behind the scenes beavering away to make the show possible and I'd like to extend a heartfelt thanks to all those people (you know who you are!!).

I hope you enjoy the show and please give feedback to any members of the group, as this can help me when putting on futures shows.
