Do They Know Where Barry Underwood Is?

It appears that after the successful Wine Festival in September Barry Underwood, the manager of Heron Hall Wine Estates has still not been found

As you all know the High Halstow Times prides itself on reporting only news and views from the residents of the Village but in this instance believes publishing gossip is in the interests of any Police Investigation and any Murder Mystery Evening that may occur in the future.

We have now heard through our reliable sources (the Village Shop) that the Police have narrowed down the list of suspects they believe are responsible for Barry's disappearance and they are as follows:

Tiny Bubbles

Barry's fiancée,
finance and sales
manager

Hedy Shablee

Known to all of the
local fire service

Ralph Rottingrape

Failed Blues Brothers
audition and member
of Underwood family

Marilyn Merlot

News From The Parish Council

At the last meeting of the Parish Council the following was discussed:

Grass Cuttings – It has been brought to the Parish Council's attention, by Rochester Upon Medway City Council, that some residents are putting grass cuttings in their black sacks, which is NOT ALLOWED. If the Council find out who the culprits are they will be shot.

Bus Shelters – The Parish Chairman said and I quote “We mustn't rush into replacing or providing new bus shelters on Christmas Lane as the new estate has not even been thought about yet let alone built. I suspect we will have to wait a little longer” A feasibility study was agreed that this was something to look at sometime in the future.

Art Exhibition - The Parish Chairman was disqualified and apologised for making an exhibit of himself at the Arts Festival.
