Sleeping Beauty

Dramarama welcomes you to our 2016 Panto, Sleeping Beauty. This Panto was first performed by Dramarama ten years ago! Although the script has been updated, quite a few of the original actors appear in this version. Ten years older, but still as enthusiastic.

We welcome new members Dionne and Julie in the chorus, and the return of Richard as the King/Dragon.

We have a small group of people who make and create all the scenery and props for our performances. These people work tirelessly and very hard and I would like to say a personal thank you to them all for making our shows magical and spectacular with their creative input.

Finally, a big thank you to you all for continuing to support our group by attending performances. Without you all, we wouldn't be able to continue.
