Personal tribute to Lesley Munday

It is ironic that the front page of the May edition should have highlighted the possible closure of our Youth Club alongside the notification of the death of Lesley Munday, because among all the other Village activities she took part in, she was the prime mover in the Club's birth.

At the January 1993 Parish Council meeting as Recreation Hall representative she reported "...the Committee are considering opening a room to twelve wandering youths of the Parish to meet and have coffee". I well remember Lesley's passionate call at the following February meeting "...We must do something for the children of the Village!" Councillors responded by agreeing to pay the weekly £6.50 cost of hiring a room. The Club opened on the 21st April with Lesley, aided by myself and another Councillor Alan Walsh. I was rubbish, although having grown up children I was not prepared for the sheer exuberance of all these young people. It was still a time of "innocence", no mobile phones, X-boxes, bedroom TV's, Internet chat rooms, they were prepared to accept the second hand donations of games, happy to play just running about. After several months, sadly both Alan and I had to stop helping, he was often working abroad and I was prevented by shift work. Despite this potential setback Lesley continued. She was the one who had quickly earned both the children's respect and mine, the one who stayed calm and likeable in all that noise and bustle. Generations of our Community owe her so much, as we do today to Chris Peek, Cat Archer and Melvyn Mears. I hope you do not allow their precious legacy to just fade away."

John Wilson

Response

I attended the AGM of the youth club on Tuesday 8th of May 2018 and was encouraged to see three new volunteers present all of whom are keen to keep the youth club open. This was also reported at the Parish Council meeting the follow night. So let's hope Lesley's legacy will live on.

Youth Club is re-opening - Whoop Whoop !!

Since 1993 the children of High Halstow have had the opportunity to spend their leisure time with friends at the Youth Club on a Tuesday night. However as you will know, in recent times the support for the management of the club had been dwindling and it was increasingly difficult for it to remain open. The doors were closed for final time at Easter and since then talks have been taking place to save the club.

I am delighted to tell you that the Youth Club is re-opening on 5th June. A new committee has been formed and voted in by the current Parent Helpers. As of 22nd May, the Club is being managed by four villagers, all of whom have been associated with the club in recent years and wish to see it continue well into the future. Your new committee are, Natacha Robbins, Melvyn Mears, Karyn Vernon and myself.

The club will again be running on Tuesday evenings, between 7.00 - 8.45pm in the Recreation Hall, and we aim to run sessions on a weekly basis (excluding the school summer break). Whilst the venue and times stay the same, lots of things are changing. Firstly there is a website www.hhyouthclub.co.uk, we welcome you to take a look.

Every child that wishes to be a member of the club needs to be registered with us online, this way we can safely store their data and keep all records up to date and accurate. Adult volunteers will also need to register in the same way. Once you have registered our Membership Secretary, Karyn will get in touch with to let you know the next steps. There is anticipated to be a waiting list as the club has proven to be very popular, but we will keep you informed as to when a place becomes available. Please add your child's name, even if they haven't yet reached their 9th birthday, because as soon as they are 9 they will be offered a space if they are at that time on the top of the list and there is capacity to accept them.

Activities will vary from week to week and we aim to get the children involved in making decisions about their own ideas for things to do. We have a great hall and supply of sports and craft equipment as well as the use of the Recreation Field in warmer months. The club will be lots of fun for all involved and we look forward to seeing your children enjoying their time with us.

We are always on the lookout for adult helpers and older youth especially those participating in the Duke of Edinburgh Award as the volunteering experience can benefit you and the club. Get in touch if you are keen to be involved at info@hhyouthclub.co.uk

We would like to thank the villagers who have given so much commitment and dedication to the club since it opened in 1993. Particular thanks of course must go to Chris Peek who has worked very hard in keeping the club together for many, many years, and now deserves a well earned rest.

Marie Calvert, Club Secretary

See you on Tuesday 5th June!

Editorial

Much to look forward to in June in High Halstow. Tamsin has been busy selling Sun Flowers to raise money for the repairs to our Church. There will be a competition for the highest so don't forget to look after yours if you have bought one. Then we have the Scarecrow Festival to look forward to. Our Neighbourhood Plan goes from strength to strength and the Working Group are hoping for a great response to the two Consultation Days in June.

I have also been busy with our Poppies on Lamp post group and have formal permission for the poppies to go on to the lamp posts. Further news to follow....

I am writing first of all to say thank you so much to the people who run and go along to Kings Kitchen on a Tuesday morning. I have been attending with the children I care for over a year and are always made to feel welcome. The children love to come up and eat their toast and cake, the cakes are always amazing and such value for money.

Also as there are no longer any groups for children in the village, a group of us often meet at Kings Kitchen at 10.15 and then head over the park to play, if you have or care for small children please feel free to come along and join us at the park or in Kings Kitchen. Its a great opportunity for the children to run around and play and to make new friends. (We only meet during term time)

It would be great to see you.

Thanks again.

Relief in Need

The charity has existed in High Halstow for many years and is an amalgamation of smaller charities/private trusts, the oldest of which dates from 1716 and exists to help the residents of the Parish of High Halstow who are going through a time of need or hardship. This could include not only widows and widowers but also to help people of all ages and from all walks of life. Requests can also be made by organisations or groups in the Parish.

Requests for financial assistance can be made at any time of year, in writing, email or in person to any one of the Trustees. A resident can apply on behalf of someone else in the village—but their permission must be obtained first of all. All requests are dealt with in the strictest confidence. If you are not sure about a request and think it may be rejected, do not be afraid to speak to any of the Trustees listed below about it. These funds are there for villagers who need help.

HIGH HALSTOW COMMUNITY CHOIR**Our choir continues in good voice !**

Following on from our successful Christmas events, we have plans for more performances and are currently rehearsing a good, varied programme. We meet regularly in St Margaret's church, usually Monday evenings.

Our songs will be performed at a number of concerts throughout this year, with The Summer Concert planned for 11 July, and another concert on 9 November.

We have around 15 to 20 regular members, mostly from the local area, but one or two come from further afield. We would welcome more singers and especially if we could get more men, we would have a good range of voices

Anyone can sing, come and try, you'll enjoy it

Poppies on lamp posts—WW1 Centenary

Our working committee met for the first time in May and we already have a prototype in progress! This is now being processed and we hope to have a site meeting in June to see what they could look like insitu.

We have had permission from the relevant Medway Council department concerned and they are more than happy for us to continue.

We discussed villagers sponsoring a lamp post in order that we raise money for The British Legion. We hope to make this a very successful fund raiser as well as a special commemoration from our village. Please contact Linda23Atkinson@gmail.com if you would like to sponsor.

23 June to 7 July— Scarecrows to be placed in people's gardens

I will be at the High Halstow School Summer Fair on 23 June selling scarecrow trails. The trail is new this year and some people have volunteered to have there scarecrow up as of the 23rd. A clue will be generated and people will walk round the village trying to find them all. Everyone is invited to display their scarecrow in the churchyard for the two weeks after the garden party.

7 July those that are delivered to the rectory garden will be displayed and the public will pick there favourite.

Sunflower fund raise

I will also be selling the remaining sunflowers at the High Halstow School Summer Fair so its not too late to buy yours!

Christian Aid

Once again the villagers of High Halstow did not disappoint. This year we managed to raise £1,500 for Christian Aid. There are still a few more envelopes to come in and this is just a gentle reminder that if any collectors still have some at home, please bring these forward so that the money can be banked. Likewise, if any villager didn't manage to donate and would like to please let us know.

A massive thank you to everyone concerned. Your donations are valuable and to those Collectors, thank you so much for all your hard work.

Resume of the Parish Council Meeting—9 May 2018 held in the Memorial Hall, The Street, High Halstow

During May we had the annual meeting of the Parish council – In which Cllr. Crozer was appointed as chairman and Cllr Watson as vice chair for the next year. Other members of the council volunteered for our different committees, including Planning, Finance and Personnel.

The council talked about issues including the importance of responding to the Local Plan Consultation and supporting the work of the Neighbourhood Plan steering group.

Due to holiday – the next Parish Council Meeting will be held on the 6 June 2018. All are welcome to attend and bring forward any issues that they may have during the public session.

Grass cutting contract

I contacted the Contractor Gavin Jones to express our concern as we had received an unprecedented number of complaints about the condition of the grass verges, the Recreation ground and Forge Common. The representative at Gavin Jones offices confirmed that **Gavin Jones** and **Turfsoil** were sister companies and there has been no merger or take-over. They have just brought all of their branding into line.

The same staff are still employed. The same equipment is in service. The difference this year is that the grass has been so long that they have had to use a “rotavator mower” and this is why the cut grass is left. They reiterated that the weather has had a major impact on their service this year – two lots of snow and heavy rainfall with some hot spells. They confirmed that they would place more staff on the contract in order to catch up.

I can assure villagers that this issue is being monitored closely.

NEW BUS SHELTERS

Unfortunately there was an incident with the new bus shelter in Heronsbank / Britannia road after only a week insitu. The bus driver overtook a parked car and misjudged the space available.

Councillor Brian Williams was informed on an emergency basis and as usual took action within minutes. Brian and the Parish Council would like to thank Paul Marshall of Sinclair Builders for his speedy response to the call. Paul also acted quickly and the site was made safe within an hour.

Chris(tine) Watson and Gary Jerreat, two of your Parish Councillors, will be at Kings Kitchen in the Memorial Hall on: Tuesday 5 June from 10.30 – 12.00pm and every 2nd Tuesday in the month.

Come and tell us your problems or find out about projects we are undertaking. If we can't answer your questions there and then we will get back to you.

First Annual Fun Walk was a Great Success!

The first annual Fun Walk for wHoo Cares and Friends of wHoo Cares was held on Saturday, 28 April and raised money to help others on the Hoo Peninsula.

Despite the dismal start to the day, weather wise, there were over 60 participants, not including lots of little walkers and 4 legged ones as well. Even Lady Barbara and her Knight (in full chainmail) braved the weather and walked! Only an adventurous handful did the 10 mile walk around Hoo, Upnor and Chattendeau but all the rest completed a 5 mile walk around Hoo.

Over £1,500 was raised in donations and sponsorship, which will go along way in helping us help others on the Hoo Peninsula.

A very big thanks to everyone who participated, donated and sponsored our walkers and of course, thanks to everyone who assisted on the day including The Windmill Pub. A very special thanks goes to our local Hells Angels club who very kindly let us use their facilities at Angel Farm for the day!

wHoo Cares is a community based organisation set up 2 years ago to reduce social isolation and improve the health and well-being of vulnerable people living on the Hoo Peninsula.

If you'd like to find out more about how we might be able to help you or a loved one, please contact the office on 01634 272138 or email enquiries@whoo cares.org.uk. You can also visit our website www.whoo cares.org.uk or Facebook page www.facebook.com/whoo carescic

Missing Cat

We have lost our lovely tabby cat. His name is Simba and he is a tabby cat with a white chin. He is very loved and cared for.

Would you kindly check your garages and sheds to make sure he is not there? We would be really grateful if you could kindly ask any friends you have in High Halstow to do the same?

He has been missing since Wednesday 9 May. We live at 54 Christmas Lane and can be contacted on 01634 253 350 or 07525 840 020

Please let us know if you see him. Many thanks.

Sue

Don't forget to go make your comments on the Medway Council website regarding the 38,000 new homes they expect to build in Medway. Medway Council believe that 12,000 of these homes can be built on the peninsula. Over 700 in High Halstow! Please make your voice heard.

Date for your diary! The St Margaret Church Garden Party which takes place at the vicarage is usually the 1st Saturday in July. Confirmation will be in our next edition.

COULD THESE VEHICLES GET THROUGH IN AN EMERGENCY?

High Halstow Village Hall—Annual Report

I have to start this years report differently to the past. Normally I start in looking back on what we have achieved and the plans for the future. This year though is different following the recent sad passing of Lesley. Lesley was one of the original committee members who started the refurbishment programme and helped us all achieve the successful outcome that we can all see today. Lesley had been on the Committee since the 1970's and had undertaken a number of roles including representing the Youth Club as well as being Committee secretary and a founder member of the HUGH Fund. If I said the foundation of the new kitchen was built upon fruit or chocolate fudge cake, this is not a slur to her cooking but to remind all of us of the sheer volume of cake, teas, coffees, bacon rolls, toast etc. etc that passed through the old and new kitchen hatch in raising funds for this hall. Along with Margaret Church and John Pink the Quiz nights alone have raised just under £10,000 for the hall, which is some achievement. We mustn't forget as well that Lesley run many a bar at the hall and I shall always be grateful for her unwavering support, generosity and friendship throughout my time on the committee.

I must also reflect on Maureen Short who sadly passed away at Christmas. Although Maureen had not been on the committee for the last few years, she too had played her role in the history of the hall. Maureen had also been on the committee since the 1970's and had been a past treasurer as well as an avid supporter of numerous events here.

Both will be sorely missed.

The past year saw us move from a refurbishment programme and more to a maintenance programme, which is the way it should be. The electric lights in the hall have been replaced and hope all like the improvements including the new sidelights. Improvements to the furniture have seen new square tables replace the old wooden ones, along with the new chairs. We have recently received a delivery of new round tables which will improve the setting of the hall

As always there are a number of people I wish to thank as follows:

- Ray Collins is the go to person when something needs to be done. There doesn't seem to be a repair he cannot do or get organised, be it the changes to the internal doors, the old kitchen hatch, signing for deliveries or as recent as ensuring the fire alarm is fixed. I really have come to rely on Ray and am extremely grateful for the support he gives me and the money he saves the hall.
- Elaine Slatcher takes pride in being the cleaner for the hall and we should be proud to have her as our cleaner. She goes out of her way to ensure the Hall looks as well as it can be for current and prospective hirers.
- Wenda Taylor, who until tonight hopefully, hasn't been on the Committee but is one of the villages unsung heroes. Nothing seems to be too much trouble be it selling tickets, advertising through Facebook, sorting out food etc, the world could do with more people like Wenda.
- My fellow Committee members, Tina Farmer, George Crozer, Martin Mitchell, Chris Peek, Margot Sturt and Crystal Wakefield who have all seen that the hall runs smoothly with nothing being too much trouble. People need to realise that without people like you they wouldn't have a facility to use.
- Margaret Church, along with John Pink and Lesley as previously said, continue to run a number of Quiz's for the Hall. This has become a regular feature for the hall.
- Carl and Jo Mitchell for providing so much help in advertising, printing of leaflets, posters etc. With their attention to detail also keen, this allows us allow us to produce events to the high standard that we do.
- Bob who with his staff in the shop help us raise monies by selling tickets, collecting application forms etc. In addition ensuring that the bar is stocked on time with good quality wines and beers doesn't go amiss either.
- Mick Woolmington again wrote, produced and built the set for the third Murder
- Mystery, and along with other members of Dramarama performed this event over two nights. Once again, the audience were treated to a three-course meal from Jo Mitchell, Wenda Taylor and their band of volunteers. The last three years we have been very fortunate to have seen so much dedication and effort put in by all concerned for this event.

Once again, many thanks must go to the users of the Hall be it a regular or one off users.

Thank you all

Gary Thomas

O What A Night Middle of May Back in 18

The above title doesn't quite trip off the tongue like a past classic from Frankie Valli but those who were there can say what a fantastic night it was. I cannot believe the committee were worried whether we would sell enough tickets or whether people would like it.

Profits from the show were actually spent in advance on the new round tables which also allowed us to get more people in which we believe went down well.

Thank you so much for all of you who came along and supported us in coming to this and other events. Without your support we wouldn't have a hall to enjoy such nights

High Halstow Hikers

With the changeable and inclement weather at end of April and into early May there was some trepidation on what would be the conditions for the walk on 6 May. On all fronts the 12 walkers need not have worried as the weather was perfect, warm and sunny and the conditions underfoot were almost perfect, just a couple of boggy areas to navigate.

The walk started along the driveway to Buckhurst Park, through well manicured grounds with bluebells and hints of rhododendrons just starting to bloom. The route instructions, as printed by the Times were somewhat ambiguous and we had a slight delay as finding the pathway out of the Buckhurst estate was not easy, however once out we joined the High Weald path which took us south into some unspoilt and rolling countryside, with great views across the Weald.

The walk meandered along lanes and across fields and through bluebell woods, very idyllic and unspoilt.

What was interesting was that there was very little arable farming along the walk, most fields seemed to be pasture with just the occasional glimpse of golden rape fields in the distance.

The walk was a fraction under 5.5 miles, as a slight detour reduced the walk from the published 7 miles, that however returned us to the Dorset Arms for our pre planned Sunday lunch with perfect timing.

Please note that the dates/venues for the next two walks have changed and are as follows:

Sunday 10 June - Stoke: meet close to the White Horse in The Street, Upper Stoke at 10.00.

Sunday 8 July - Broadstairs and Margate, full details to follow.

As ever all are welcome and enquiries can be made to Mitchell at mitch.dowsett@btopenworld.com or 01634-254428.

Gardening Club

On Tuesday 8 May the club held its annual auction at the memorial hall. Our thanks go to our auctioneer Peter Tyler who as usual ran the auction with his usual passion and gardening knowledge. Vegetable plants, young plants for hanging baskets and borders along with other garden miscellaneous went swiftly under the hammer. A most enjoyable auction.

On Tuesday 12 June we have Susan Scrivens coming to the club who will talk to us about The Rise and Fall of the Bee Keeper. This will take place as usual at the memorial hall at 20.00 hrs so if any non members are interested and would like to attend a fee of £2.00 applies. Tea, coffee and biscuits will be provided followed by a raffle.

The club welcomes new members. Come along and give it a try. If you decide to join the membership fee is only £5 per year. For further information please email hhdgc@outlook.com Happy gardening now that the sun is shining

NEIGHBOURHOOD PLAN

Our Steering Group are moving quickly to analyse research papers on what High Halstow can offer for our future generations.

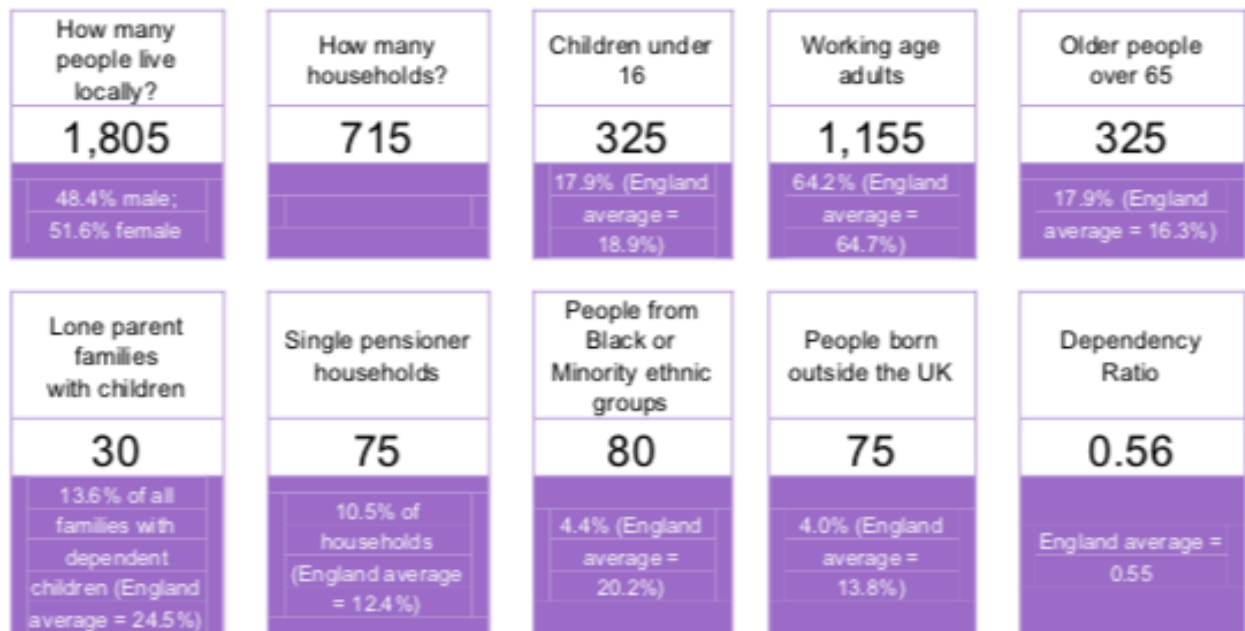

Medway Council's draft Local Plan is set to demonstrate that our village would be able to accommodate over 700 new homes within the next 20 years. Our aim is to analyse what High Halstow has at present and what we can realistically offer our future generations.

You will see from the census records of 2011 High Halstow had a healthy population of 1,805 and there were 715 households. We believe today's figure is nearer to 800 households.

We are in no doubt that we will need to plan for the development of affordable housing for our younger generation but we do need your help by coming along to our Neighbourhood Plan Consultation Days and confirming what you think is required. It's essential that we show that we have engaged with our villagers.

We have already filed the map of our village with the Council. This confirms the area that our Neighbourhood Plan will apply to. We are

setting up a project plan of the way forward and this will be put to the Experts who we will have to employ to put the Neighbourhood Plan in the correct format for it to be adopted.

It is essential that Medway Council show that their Local Plan is sustainable. We hope to show what can be sustainable.

High Halstow Football Club

Peter Beale—Manager

We are delighted to confirm that the Club won ALL THREE of the Cup Finals. Centenary Cup, Kent Cup and Sittingbourne & Milton Cup.

The team plays on Saturdays and the home pitch is the Recreation Ground in High Halstow. FA rules state that the team provide changing facilities and Graham is in the process of raising funds to enable him to provide his team and the opposing team the changing facilities required. If you have any idea how we could help or would like to donate to help the team raise funds, please contact Councillor Brian Williams or Councillor Linda Atkinson.

HIGH HALSTOW'S BUDGE RETURNS TO THE RING

Undefeated boxer Jack Budge returned to the ring after a two-year absence on Saturday May 12th to record his second professional victory.

The 23-year-old, who lives in Harrison Drive, appeared at the Maidstone Leisure Centre where he beat Yorkshireman Luke Fash in a four-round contest.

Jack had his first pro contest back in 2016 in Bristol, where he was working as an apprentice jockey, before an injury forced him out of the game. Since then the former star amateur, who boxed for England and won the prestigious Amateur Boxing Association championships, has moved back to High Halstow and is now concentrating fully on his boxing career.

"I was very happy with the win," said Jack, after the Maidstone contest. "I stuck to the game plan, boxed long and got the four rounds in the bank. It was great to get the rust off, and I'm looking forward to progressing now. I want another four-rounder, before moving up to six rounds, and it would be great to win the Southern Area Title before the end of this year."

Jack's next scheduled fight is at London's famous York Hall sometime in June (date to be confirmed).

If anyone is interested in tickets for the show, please contact Jack on 07398 202894 – all support is very welcome!

Jack's career can be followed on his Facebook page: 'Jack The Judge Budge' or on Twitter @Jackbudge2.
